MYSORE IRON WORKS, BHADRAVATI.

TENDER FOR (1) MINING AND STACKING LIMESTONE AT KONDLI QUARRIES, TUMKUR DISTRICT AND (2) CARTING LIMESTONE FROM QUARRIES TO BANASANDRA RAILWAY STATION AND LOADING TO WAGONS.

The undersigned will be glad to receive tenders from reliable contractors with experience in mining work, for mining and stacking at the above quarry and carting them to Banasandra Railway Station and loading them to wagons as per conditions stated below. Separate tenders may be sent (1) for mining and stacking and (2) for carting and loading into wagons. The envelopes may be marked "Tender for mining and stacking Kondli limestone or" "Tender for carting and loading Kondli limestone" as the case may be. The latest date up to which tenders will be received is 31 October 1928.

Conditions for mining and stacking:—

1. Two hundred tons more or less according to our requirements without binding ourselves to any definite quantity to be mined every month.
2. That mining should be done in the way advised by the Superintendent, Mining Section or any of his delegates.
3. That all earthwork in connection with the mining should be made by the contractor.
4. Stone free from dust and foreign matter and broken to road metal size should be stacked according to the instructions of the Mining Superintendent or any of his delegates.
5. The stacks will be measured by the Mining Superintendent or any of his delegates once in a month and payments will be made after a week from the date of taking the measurements at 30 C.ft. per ton.
6. That an inclusive rate for mining, breaking and stacking at the mine be quoted.
7. That the Contractor will be responsible for the stacks measured and paid for till they are removed.
8. That an earnest money of Rs. 200 in Government currency notes be enclosed with the tender which will be returned to the unsuccessful tenderers and retained in the case of the successful tenderer as a security deposit.
9. Within ten days from the date of acceptance, the successful applicant will go over to Bhadravati and execute an agreement.
10. In case of failure of mining the required quantity in time the contractor shall pay a fine of Rs. 5 per ten not mined
11. The final acceptance of the tender rests with the General Manager, Mysore Iron Works, who does not bind himself to accept the lowest or any tender.

Conditions for carting and loading into wagons at Banasandra Station:—

1. Two hundred tons more or less according to our requirements without binding ourselves to any definite quantity to be carted and loaded into wagons.
2. That the works weigh-bridge will be the basis for payment.
3. The contractor should always keep at all times a reserve of 300 tons at the railhead.
4. That the contractor should fill the wagons to their maximum capacity without under-loading as the concession rate is applied on the carrying capacity of the wagons. Any loss to the works on account of under-loading of wagons will be debited to the contractor.
5. That an inclusive rate of carting and loading into wagons be quoted.
6. That payment for the quantity carted and loaded will be made once a month, *i.e.*, at the close of the second week of the succeding month.
7. That an earnest money of Rs. 200 in Government currency notes be enclosed in the tender which will be returned to the unsuccessful tenderers and retained in the case of the successful tenderer as a security deposit.
8. Within ten days from the date of acceptance the succesful applicant will go over to Bhadravati and execute an agreement.
9. In case of failure of regular supply to the Works in time the contractor shall pay a fine of Rs. 5 per ton non-delivered.
10. The final acceptance of the tender rests with the General Manager, Mysore Iron Works, who does not bind himself to accept the lowest or any tender.

M. VENKATANARANAPPA,
General Manager.

MYSORE POWER AND LIGHTING.

Abstract Notification dated 9th September 1928.

Attention of the public is hereby invited to the notice calling for tenders (1) for constructing Superintendent's Quarters with out-houses, garage, etc., (2) constructing two units of Operators' Quarters with out-houses, latrines, etc., at Mysore in the *Mysore Gazette*, dated 13th September 1928.

C. SITARAMIAH,
Superintendent.
